I/We understand that choice of candidates is based upon a range of qualities (academic, musical, artistic and so on), and that no selection is made on the grounds of race or religion.

I/We understand that fees must be paid in full before the beginning of each term, that no refunds are made for absence, and that a full term's notice must be given in writing to the headteachers before the removal of a child, in default of which a term's fees are payable. I/We further understand that the School reserves the right to amend any fees, and that late or non-payment may result in the immediate suspension of my/our child.

I/We enclose the non-refundable registration fee of £65 to cover entry arrangements. I/We understand that upon a child's acceptance into the School, a deposit of £3000 is payable, and that this deposit will be refunded at the end of your last term, less any balance outstanding.
